## ***West Side School***

On September 20, we held our Tomato sauce Day and the children LOVED it!! We almost ran out of sauce! The children also enjoyed asking questions about the various herbs taken from the garden and tasting them as well. Our Welcome Back meeting/breakfast was held on September 17 and we had an amazing turnout. Our Back to School night was held September 30 and our Principal, Mr. Simon announced to all the wonderful news that WS had received the prestigious Blue Ribbon Award. This award was given to 286 schools across the country this year and WS was one of only 4 schools on LI to receive it. Our first major fundraiser, the WS WIN, will be held on October 18 at the Gagnon residence and tickets, which are \$100 each, went on sale last week via an invitation mailed to all families. To date we have sold over 80 tickets and are hopeful to reach our goal of 200 tickets sold! Our WSTA play has been cast and rehearsals are under way for the December production of *The Wizard of Oz*. Our recess volunteer meeting will be held just prior to our monthly PTG meeting on Tuesday, October 15 at 9 AM. Photo Day is scheduled for October 16. Our WSKC kicked off October with its annual coat drive. Our Book Fair is scheduled for October 24 and 25 during school hours with Family Time scheduled on the 24<sup>th</sup> from 3-5 PM so that you can shop with younger siblings. On October 28, thanks to a very generous donation from the DiScala family, WS will be receiving a giant travelling map of North America. This map is rented from National Geographic and comes with a trunk filled with curriculum activities for all grades. We will have the map through November 15. It will be set up in our Community Room for use by all grades. Finally, our Annual Halloween Dance will be held Friday, November 1 from 5:30 – 7 PM

## ***SEPTA***

This month, the Cold Spring Harbor Special Education Committee is working on gaining new membership throughout the community. We are dedicated to providing support to parents of students whose learning needs require the support of special education, related services such as speech, occupational therapy, physical therapy and/or building level services.

SEPTA will be hosting the Homework Club at Lloyd Harbor School for another successful year. Our first session will be from October 15<sup>th</sup> – December 19<sup>th</sup>. Forms will be going home this week to sign-up.

We have many exciting ideas and workshops that we would like to offer but we need your support! Becoming a member of SEPTA will give you access to useful information and resources as well as participation in our community sponsored programs. There are forms here to sign up today.

I would also like to thank the new school representatives for joining our passionate board
