WSS Notes

In January, we held our annual Family Skate Night at Syosset Woodbury Park. Families came out to enjoy a beautiful night of skating with friends and family. We also held our annual Movie Night. Children enjoyed the movie *Earth to Echo* while eating popcorn and pizza with their friends. Our West Side Kids Care collected items from families to sponsor the Birthday Wishes charity that donates items to create birthday parties for children living in homeless shelters. In addition, the school celebrated Genuine Acts of Kindness month where we tallied the amount of genuine kind acts the children performed for each other and the staff over a course of the month.

Our SIT And PTG have continued to work on plans for the West Side School 225th Celebration taking place on Friday, June 5th. We have many special events shaping up during the school day for the students and a cocktail party is being held at the CSH Library from 7-10pm on the evening of June 5th.

Coming up in February, we have Sports/Game Night scheduled for Sunday, February 8th.

Our next PTG Meeting is scheduled for Tuesday, February 10th, we will be hosting a presentation by FOCUS. Finally, our nominating committee has been formed and we are in the process of soliciting volunteers to serve on the 2015-16 PTG Board.

LH Notes

We started off the month with an extremely successful Magic Night for the 2nd Graders. Almost the entire class turned out to see Mr Homer perform magic on January 7th. The third graders had a C.A.P.S. presentation on bullying and the 4th grade had a field trip to Lloyd Manor. The 5th and 6th Graders had their Winter Concert at the PAC. There were performances from band, orchestra as well as select chorus. It was an evening enjoyed by all.

Lloyd Harbor was thrilled to have seven 5th graders and five 6th graders selected for the All County Music Festival. This requires three days of rehearsal culminating in a concert at the Tilles Center. It is quite an honor!

Homework Club has started up again on Tuesdays and Thursdays. We also have Ipad Club where the children are creating their own books as well as a Drama Club.

We are currently under way with our Book Fair which has an under the sea theme. This is such a fun event for everyone and a helpful way to encourage more reading from all!
