

## **CPC September Meeting School Reports**

### ***Goosehill Primary School***

As of Monday there were 75 Kindergarteners (4 sections) and 106 First Graders (Five sections) enrolled at Goosehill. In the next few weeks we are distributing school directories and planning for our second annual Back-to School Picnic.

The picnic is going to take place on Friday, Sept 20 from 5-7pm. We have three bouncers and a DJ to entertain the children and their families, along with high school volunteers to help organize and facilitate the picnic. This year the GPFA is charging \$10 per family and will provide pizza. Class parents are going to organize beverages and dessert for each class. Also, next week we are hosting our "Welcome Tea" on the 18th to kick off the school year and get new parents involved in GPFA.

### ***Lloyd Harbor Elementary School***

LHS\*PTG has hit the ground running. We had a wonderful new family brunch on August 27th where we gave tours of the school to the new families and answered many questions. We brought in breakfast on the first day of school for all of the staff and had one of the parents wear the lion mascot costume to greet the children as they arrived at school. The next two months are very busy with the Welcome Back Tea, Back to School Night and our big fundraiser Lloyd Harbor Unites. This is the third year for Lloyd Harbor Unites where we raffle off several cash prizes. The drawing will be held on October 18th at the Huntington Country Club. We are waiting anxiously for the gift the ptg board gave to the school last year which are two all weather umbrellas that will be placed near the playground that will add much needed shade for the children when outdoors playing. We are also very excited to be purchasing a new kiln for the art department which is something every child at LHS will enjoy using.
